This restriction applies only to ducks, geese, brant, swans and coots. Steel shot or approved substitute is required statewide for taking these species.

- by the use or aid of live decoys. - by driving, rallying, or chasing birds with any motorized conveyance or any sailboat to put them in the range of the hunter.
- by the aid of baiting (placing feed such as corn, wheat, salt or other feed to constitute a lure or enticement or on or over any baited area). Hunters should be aware that a baited area is considered to be baited for 10 days after the removal of the bait, and it is not necessary for the hunter to know an area is baited to be in violation.
